RE: APPLICATION FOR SITE SUITABILITY

Your Application dated Monday, February 5, 2018 on the above subject matter please.

Subsequent upon our inspection visit to your proposed retail outlet located at along Capele Road, by the palace road junction, EFFURUN, Delta State.

Consequently, if you intend to have six (6) underground tanks or a capacity of 20,000 liters or more, you are to contact DPR accredited E.I.A. consultant who will carry out Base Line Studies on your site.

Thereafter, you are to upload the underlisted documents for the grant of Approval to Construct (ATC) these are:

1. Copy of Company's Certificate of Incorporation
2. Copy of Certificate of Occupancy
3. Approved Building Plan (Size A4)
4. Memorandum & Article of Association of the Company
5. Survey Plan
6. Current Tax clearance certificate of the Company
7. Initial fire report
8. Police report
9. Deed of assignment (where applicable)
10. E.I.A. report (where Applicable)
11. Approval to Construct (ATC) fee of (₦ 50,000)

Failure to submit some or all these documents within Ninety days (three month) from the date of this letter, the suitability approval conveyed to you becomes **Invalid**. You may have to re-apply for another suitability inspection if you still require the site for the same purpose.

Yours faithfully,

For: Department of Petroleum Resources

A.E. Antai
Zonal Operations Controller
